

Comprehension- Activity 6: Emotion Map

Directions:

Create an emotion map illustrating three different emotions the main character experiences in the course of the book and *why* he or she experienced them. (Hint: try expanding your vocabulary by finding a great emotion word. Using a thesaurus helps.)

Tengo felt bewildered when he went into the house to find Frikkie's knife. Sissie, Frikkie's sister, called him into her room to ask what he was doing in the house. Frikkie's aunt came and became angry with Tengo for being in Sissie's room.

Tengo felt terrified when he was running away from a white soldier. The soldier was Frikkie, but Tengo didn't know it was he. Likewise, Frikkie didn't know it was Tengo he was chasing. Tengo was being chased because a soldier had been shot, and Frikkie assumed it was Tengo who had shot him.

Tengo felt nervous when he was going to live with his aunt's family in Johannesburg. It was his first time away from his family, and he knew it wasn't going to be for just a short period of time.
